

TRIPLEC COMMUNITY CREATIVE PROJECT

Are you a deaf, disabled and/or neurodivergent (DDN) person 25 + years?

Would you like a creative outlet to explore new opportunities and make new friends?

TripleC's motto is "never leave anyone behind" which is why we are launching a weekly creative community project to give an opportunity for the DDN community to come together, create, explore new experiences and meet new friends.

Starting in October, TripleC is running free weekly in-person workshops in central Manchester designed to help you explore how to channel and showcase your lived experience through various creative avenues.

Hosted by writer Cathy Crabb, these workshops are for all experience levels, and the relaxed and structured setting is perfect for learning new skills and meeting people.

Who are we?

TripleC is a disabled-led, BAFTA winning creative arts organisation. This project is funded by The National Lottery Community Fund. TripleC is an Arts Council England National Portfolio Organisation.
