

Access Funding Scheme

What is it?

A new scheme for people who work or want to work in high end TV.

They can apply for money to remove access barriers to working in high end TV.

Examples of what it can pay for:

- Training
- Aids
- Hotels
- Travel
- Driving lessons
- Childcare
- Support to apply to Access to Work
- Software and equipment.

There may be other things you need.

You must spend the money by March 2025.

We cannot fund university or college courses.

We will give priority to things Access to Work will not pay for.

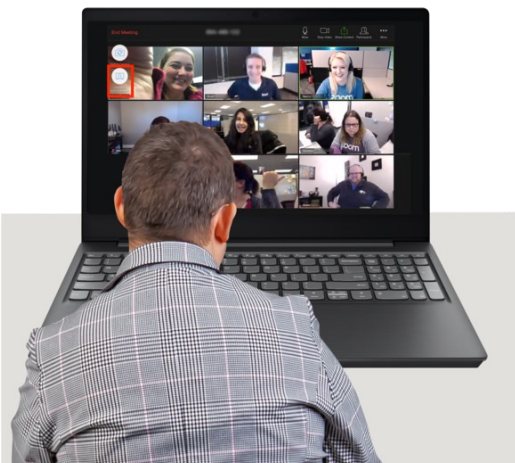

You can apply for between £100 and £2,500.

We can fund all of the cost.

Only one award per person will be made in a year.

There will be a webinar on 10 April at 1pm to answer any questions you may have.

Please click on this link to book a place:
